No. 525.—The following resolution of the Government of India is republished:—

REVENUE DEPARTMENT.

PASSPORTS.

Dated, the 24th December 1924.

No. 2031-1924.—In pursuance of the orders authorized in the Resolution of the Government of India in the Home Department, No. 2031-2423, dated the 24th December 1924, the Government-General in Council is pleased to issue the following instructions with regard to certificates of identity.

2. Every native of India who contemplates proceeding out of India to foreign countries is strongly urged, before leaving, to furnish himself with an authoritative certificate of identity, in the form appended to this Resolution, signed by the head of the district (in a Presidency Town and in the towns of Bangalore, the Commissioner of Police) in the case of natives of British India, and by the District Officer in the case of natives of Native States. In the case of a student the certificate should be signed by the head of his last school or college and recommended by the District Officer (in a Presidency Town and in the towns of Bangalore, the Commissioner of Police) or District Officer in the case of a native of a Native State.

Appeals for assistance by destitute Indians who desire repatriation and by students who owing to

unfavourable circumstances, are unable to complete their means of subsistence cannot be dealt with satisfactorily unless the parties present a position to produce evidence of identity. The possession of a certificate of identity will be specially useful to young men of good family, as it may enable the Secretary of State to obtain for them credit and other assistance.

Those who are foreigners, however, if travelling in countries where a passport will be necessary are advised to furnish themselves with such a document also before leaving India, in lieu of, or in addition to, a certificate of identity. It should be remembered that no person is entitled to a passport, as of right, on the ground that he is a British subject and the protection before authorities abroad of India as a subject of British India, unless accompanied by documentary evidence of respectability, it not sufficient to ensure that a passport will be granted.

Form of Certificate of Identity.

1. Name of applicant.
2. Father's name and caste.
3. Residence.
4. Age of applicant.
5. Nationality of applicant.
6. Social or pecuniary status of father (or grandfather).
7. Date or probable departure of applicant from India.
8. Object of applicant's visit to England (Europe).

Signature of District Officer (in a Presidency Town, the Commissioner of Police or Police Officer, or head of school or college).

Dated.

* i.e., whether a British subject by birth or by naturalization (not subject of a Native State).

† Certificates of the District or Political Officer should be obtained in accordance signed by heads of schools or colleges.

Note.—Holders of certificates of identity intending to apply subsequently in England or elsewhere for a passport to visit a foreign country are advised that no person is entitled to a passport as of right on the sole ground that he is a British subject. The possession of a certificate of identity, however, will not necessarily be sufficient to ensure the grant of a passport, unless it is accompanied by documentary evidence of respectability, unless by a local Government or other authority competent to issue passports in India, certifying that the holder is a fit and proper person to receive a passport.

F. SITARAMAYYA,
Secretary to Government.
